SUBJECT: COUNTRY CLEARANCE GRANTED TO GARY D. ROBBINS

REF: SECSTATE 9142

¶1. US Office Pristina welcomes and grants country clearance to EUR/RPM Director Gary D. Robbins to visit Pristina on January 30 and 31, 2007. The purpose of the visit is to consult with U.S. Office and visits to OSCE field missions. Control officer will be Political Officer AJ Rei-Perrine, who can be reached at: office 381-38-549-516 ext. 3195; GSM 377-44-500-972; fax 381-38-549-890.

¶2. Post understands that Mr. Robbins has made his own arrangements for transportation between Skopje and Pristina. Post will coordinate arrangements for transportation to official meetings during the visit. Accommodations have been confirmed at Hotel Baci.

¶3. Kosovo is a cash (Euro) economy. There are a few operating ATMs. A few large stores and some hotels take credit cards. Not all ATMS are reliable and personnel should use normal ATM safety precautions. TDY personnel should bring sufficient cash or travelers' checks to cover all hotel and other incidental expenses and may exchange dollars for Euros from 9:00am-11:30am and 1:00pm-3:30pm each Monday, Tuesday, Wednesday and Friday and 9:00am-11:30am each Thursday at the U.S. Office cashier. Only USOP accepts travelers' checks. Reverse accommodation is available at the end of the visit.

¶4. Security issues: The security situation in Kosovo is fluid and there is still risk from occasional episodes of violence; incidents of ethnic violence continue to occur. Land mines remain in some outlying areas. Civil society institutions generally do not yet meet Western standards. There is criminal activity against internationals, including purse snatching and residential break-ins and general precautions are recommended. KFOR is deployed throughout Kosovo. Electronic devices such as laptops (personal or official), PDA cell phones with cameras, and the like must be approved for use in USOP facilities by an ISSO in consultation with the RSO.

¶5. Travel to certain areas within Kosovo province requires fully armored vehicles and advance RSO approval. To facilitate planning, please provide travel itinerary to USOP in advance of arrival, as same-day travel can be difficult to arrange. To provide appropriate access to USOP facilities, visitors must ensure all necessary security clearances are included with travel messages.

¶6. Please ensure ASEC tags are included to ensure proper distribution. Specific questions regarding security may be addressed to USOP's RSO or your control officer.
